Our performance troupe requires a commitment from each performer. It is important that we all work closely together on a regular basis in order to build trust between each other, which makes for better comedy. The minimum our troupe will perform is 3 shows between September & June and will also require additional performances to be scheduled. We will meet on a weekly basis for practice, with the exception around the holiday season. A more detailed schedule will be determined and agreed upon by all troupe members at a later date. By signing below, you understand the basic expectations of our performance troupe, you are at least 18 years of age, and have the required minimum experience necessary to audition.
